TECHNICAL SKILLS

- SQL (PostgreSQL, MySQL)
- Power BI
- Excel / Data cleaning
- Python / ETL
- Data modeling
- KNIME
- HTML / CSS / PHP
- C# / .NET
- Git / GitHub

SOFT SKILLS

- Good time management skills and am punctual.
- Precise and analytical.
- Autonomous and adaptable.

LANGUAGES

- French (Native speaker)
- Turkish (Native speaker)
- English (B1 - Intermediate)
- Spanish (A2 - Elementary)

MISCELLANEOUS

- Fitness and weight training
- Team-based competitive video games
- Manga and Japanese culture

JOB OBJECTIVE

Second-year Computer Science student pursuing a Technical Bachelor's Degree in Computer Science, specializing in data administration, management and exploitation. Currently working as a Data Analyst / Business Intelligence intern, I am looking for an apprenticeship starting in September 2026 in data, Business Intelligence or databases. Curious and detail-oriented, I aim to contribute to data processing, reporting and decision-making through tools such as Power BI, SQL, Python, KNIME and Excel.

WORK EXPERIENCE

- Apr 2026 - Jun 2026** **La Boutique du Pro (LBDP), Méry, France**
Data Analyst & Business Intelligence Intern
 - Extracted and cleaned data from an e-commerce platform (WooCommerce) and accounting management software (MEG).
 - Created interactive Power BI dashboards to monitor sales, stock levels and key performance indicators (KPIs).
- Mar 2026 - Apr 2026** **USMB / IUT Annecy, France – Team University Project**
Database & Open Food Facts Dashboards
 - Created and optimized a relational database (OLTP) from raw Open Food Facts data.
 - Simulated large sales datasets and designed a star schema for analysis.
 - Built data exploration workflows and produced analytical reports in English.
- Oct 2025 - Jan 2026** **USMB / IUT Annecy, France – Team University Project**
Web Application & Database Management
 - Developed a web application in a team using Laravel and Scrum methodology.
 - Designed database models (MCD, MLD, MPD) and business process diagrams (BPMN).
 - Managed user data in compliance with GDPR.
 - Created Power BI dashboards to monitor indicators.

EDUCATION

- 2024 - 2027** **BUT Informatique**
Technical Bachelor's Degree in computer science
Second year in progress
University of Savoy / IUT Annecy, France
- 2021 - 2024** **French Baccalaureate**
Technical High School diploma (STI2D - Digital Information Systems)
Louis Lachenal High School - Argonay, France
